

Students, do you need assistance with the cost of doing laundry? Laundry Love can help! Laundry Love is a Cobblestone Project initiative in Northwest Arkansas. Laundry Love Projects partner with community volunteers to provide clean clothes to those living in situations of poverty in Northwest Arkansas. Laundry Love events provide people, without the resources to do so, a way to have clean laundry. The events occur monthly in Northwest Arkansas.

Please note: The ending times listed below are estimated and not all facilities provide laundry detergent. This is a volunteer driven project and when the money runs out they end for the night so get there early to ensure you can participate.
